NEW HOMES

FREE BASIX Certificate*

Meeting the new 7-star compliance requires expertise and knowledge. Frys are the experts in the new compliance requirements. We have completed over 30,000 BASIX Certificates and are Australia's largest BASIX assessor for single dwellings.

SWIMMING POOLS

BASIX Assessments from \$149**

A BASIX Certificate is mandatory with any swimming pool with a capacity of 40,000 or more. The BASIX commitments can change depending on the data that is entered. If it is entered incorrectly, you could be required to add more cost to your project than is needed. Leave it to the experts.

* Thermal assessment must be completed by Frys. ** Excludes BASIX Certificate fees. All offers expire 30 November 2023.
